

Poser for Posers*

Landing Page

This page will consist of a **short** description of what the site is and who it is intended for. It may have a graphic or two for visual interest, but will be relatively static.

*Writers who can't find a decent artist to illustrate their comic

Image Map: Interface

This section will be a large image map of the Poser 11 Pro interface with hotspots for all of the major elements. I would like to have the feedback in call-outs based on Bootstrap.
